Plans for this year's highly anticipated, Quest for Hope, the Ultimate Scavenger Challenge, are well under way. As Quest for Hope celebrates its' 10th anniversary, we take pride in its longevity and credit its' success largely to our sponsors who lend their names and financial support. Funds raised directly benefit Tampa Bay's children and families dealing with childhood cancer.

The Krewe of the Nautilus in partnership with The 1Voice Foundation and The Florida Aquarium, developed the Club Nautilus program, through which activities are created and funded to educate and build an appreciation for Florida's beaches and oceans while balancing the delicate needs of children and families dealing with the harsh realities of childhood cancer.

The CAUSE of the 1Voice Foundation is to support children with cancer and their families by connecting them with financial, emotional and educational CARE while funding research for tomorrow's CURE.

The Florida Aquarium's mission is to entertain, educate and inspire stewardship about our natural environment.

The Krewe of the Nautilus mission is to promote Florida environmental awareness and conservation through friendship and association, education, charitable sponsorship and community and community service.

As non-profit organizations, we need your help to create HOPE. Please consider one of the sponsorship opportunities detailed on the enclosed sponsorship commitment form and join us in our endeavor to make a difference.
